Except within the limits noted below, the Code of Virginia, § 2.2-3100 of the Conflict of Interests Act prohibits employees and their immediate family from engaging in certain transaction with a public employer, including purchasing surplus property valued at over \$500. An employee's immediate family includes a spouse, children, parents, brothers and sisters, and any other person living in the same household as the employee. A \$500 limit to purchasing surplus property applies to surplus property sales, such as auctions or internet sales even if the buyer works for a different agency than the selling agency unless the property is purchased in any sale of surplus property at uniform (fixed) prices that are available to the public. Employees of the Authority should not purchase property if they influence the maintenance, surplus designation, pricing, or disposition of the property item.
