PROPOSAL CANCELLATION NOTICE

January 13, 2026

RFP. 25-07 PJM – EMERGENCY LOAD RESPONSE PROGRAM

This letter serves as notification of the Rivanna Water & Sewer Authority's decision to cancel **Request for Proposal No. 25-07, PJM – EMERGENCY LOAD RESPONSE PROGRAM.**

The Authority has determined there was an unexplained error in the proposals submitted to the eVa Portal, the State e-procurement platform, and that it would be in the Authority's best interest to cancel the solicitation and reject all proposals. The Authority intends to reissue this proposal. This decision is made in accordance with Section E., item 5 of the proposal document, in which the Authority may cancel or reject any and all proposals, or any part thereof, and to waive any informalities in proposals.

VPPA

§ 2.2-4319. Cancellation, rejection of bids; waiver of informalities.

A. An Invitation to Bid, a Request for Proposal, any other solicitation, or any and all bids or proposals, may be canceled or rejected. The reasons for cancellation or rejection shall be made part of the contract file. A public body shall not cancel or reject an Invitation to Bid, a Request for Proposal, any other solicitation, bid or proposal pursuant to this section solely to avoid awarding a contract to a particular responsive and responsible bidder or offeror.

B. A public body may waive informalities in bids.
